Start Today!

Group Program \$335.00⁺

To minimize classroom time and focus on getting in the water, a portion of the academic material is covered via independent study prior to the start of class. The adventure begins at the class orientation, Wednesday at 7pm.

Private Program \$625.00

Private programs are limited to single students or couples. Knowledge development is completed via independent study and private sessions with your instructor. All knowledge development, pool & ocean dives are scheduled with your personal instructor to fit your scheduling needs.

The Orientation

At the orientation you will discuss the layout of the class as well as review Chapters 1 & 2 from your independent study.

The Following Weekend (Sat & Sun)

The first weekend that follows the orientation you will start with a classroom review from your independent studies (approx. 3hrs). Pool session will directly follow where you will be able to implement your learnings from class! (approx. 4hrs.) Sundays schedule will be the same.

Ocean Dives (Sat & Sun)

The exciting adventure continues...you can either choose from beach dives (conditions permitting), boat dives** or both! You will be doing 4 ocean dives total over the 2 days.

Congratulations!

Upon completion of your 4th ocean dive you will be a certified PADI open water diver! You will now be able to experience the wonders of the ocean with your dive buddy at your leisure!

*After \$70 rebate on snorkeling gear with purchase higher than \$300. Gear must be purchased from Beach Cities Scuba in order to qualify for rebate. Regularly \$405.

**Available for an additional charge. Boat schedules and boat cost varies.
